

HOW to study Scripture without too much influence from man

STEP 1

DOWNLOAD E-Sword or The Word software to your **computer or laptop**

<http://www.e-sword.net/downloads.html>

<http://www.theword.net/>

Download **ADD-ON** Modules as well

STEP 2

Go to **Bible gateway.com** and **DOWNLOAD** more Scripture versions, Dictionaries and Commentaries . . .

<http://www.biblesupport.com/e-sword-downloads/>

See the **following translations of Scripture:**

Please **ENSURE** that you **DOWNLOAD** the files below to the same drive and directory as your **E-Sword software was downloaded to . . .**

(Normally **C-Drive** of your computer/laptop – **Program Files** – **E-Sword**)

I would advise the **following DICTIONARIES:**

HOW to USE the above RESOURCES to STUDY Scripture YOURSELF:

- Use **The Scriptures 1998** as your default Bible
- Use **Strong's + LXX** as your default Dictionary

Go to a specific verse in Scripture (**remember to use The Scriptures as your default Bible on E-Sword**) that you want to study. The Scriptures translation is a much pure translation of Scripture in English than any other translation available on E-Sword, including the KJV! The Scriptures do NOT have the Strong's numbers to find the specific meaning of a word **from the Hebrew (1st language of Scripture)**.

To find the specific **MEANING of a WORD** from Scripture from the Hebrew language, you must [go to the KJV+ Bible translation](#) (you automatically got it when you downloaded the E-Sword Bible application)!

[Get the Strong's number \(in green\)](#), [click on it](#) and look at the meaning of the word from your [Dictionary](#) (just below Bibles in E-Sword) to look-up the specific meaning of any Strong's word.

Let's look at a practical example:

The following is Genesis 1:1 from [The Scriptures translation](#):

Gen 1:1 In the beginning [Elohim](#) created the [heavens](#) and the earth.

Now to look-up the specific meaning of a word from the Hebrew, you need to go to the KJV + to GET the STRONG'S NUMBER . . .

The following is Genesis 1:1 from the [KJV+](#) . . .

Gen 1:1 In the beginning^{H7225} [God](#)^{H430} created^{H1254} (H853) the [heaven](#)^{H8064} and the earth.^{H776}

You will clearly see the [H \(Hebrew\)](#) or [G \(Greek\)](#) numbers above/after the words that have Strong's numbers . . .

Firstly, can you see [the DIFFERENCE](#) between The Scriptures and the KJV translations?

The Scriptures renders the "title" (Elohim) of the Almighty CORRECTLY from the Hebrew language and CORRECTS the ERROR found in the KJV translation (heaven, translated singular, instead of heaven[s] – plural)!

[CLICK on the Strong's number](#) that you want to STUDY:

Go to your Dictionary [Strong's + LXX](#) to look-up the meaning of these words.

Let's have a look at the word [beginning](#) (H7225) from the [Strong's + LXX](#):
H7225

ראשית (Hebrew word)

rê'shîyth (Transliterated word)

ray-sheeth' (Phonetic spelling)

From [the same as H7218](#); the first, in place, time, order or rank (specifically a firstfruit): - beginning, chief (-est), first (-fruits, part, time), principal thing.

We need to **use yet another resource/website** to [CONFIRM](#) that the Strong's number are correct and to **further study the word meaning in MORE DEPTH**:

<http://biblesuite.com/>

At the [TOP](#) of this website towards the [RIGHT](#), you will see a little [WHITE box](#) with a [little arrow](#) (with a drop-down menu) -- [CLICK on Strong's](#)

Type **ONLY 7225** in the [LONG WHITE box](#) in the [MIDDLE TOP of the page](#) and **CLICK** on the **little ORANGE ICON** at the [end of the white box](#) . . .

The software will search and show you the [Hebrew Strong's number](#) on the [LEFT](#) and the [Greek Strong's number](#) on the [RIGHT](#) . . .

ALWAYS [use the HEBREW STRONG'S number](#) when available, as Scripture was written in HEBREW first! The Greek Strong's (right) can guide us to the original Hebrew Strong's number, when the Hebrew number is not available on the LEFT!

CLICK on the **Hebrew Strong's number** written and **UNDERLINED in BLUE** (left of the page)

You will see the following:

 **Strong's Concordance**
